

A MUSICAL GARLAND

Broadway, London, & Judy!

"She has everything to become a star!" So said Barry Manilow upon hearing the glorious voice of Petrina Johnson. He is not alone. "I love your voice!" exclaimed Petula Clark. London's prestigious *The Mail* said: "Petrina Johnson . . . has a sensational voice . . . with a range extending from Edith Piaf and Shirley Bassey to Julie Andrews. Her rendition of *Don't Cry For Me Argentina* earned her a well-deserved standing ovation." The accolades abound for this winsome and gifted woman who makes her American touring debut in **A Musical Garland: Broadway, London, & Judy!**

Without question, Petrina Johnson has the credentials. She has been a mainstay on London's West End, Britain's equivalent to Broadway. She starred alongside Barry Manilow in the original cast of *Copacabana*. She created the role of Betty Schaefer in Andrew Lloyd-Webber's *Sunset Boulevard*, sharing the stage with Petula Clark and Rita Moreno. She was *Evita* in the national touring production of that smash hit. Britain has fallen in love with Petrina Johnson.

And now Petrina Johnson brings her mastery of theatre and song to America in a show destined to make her as beloved in the States as she is in her home country. **A Musical Garland** is a whirlwind flight through the great music of *Chicago*, *Mama Mia*, *Les Miserables*, *Sunset Boulevard*, *Copacabana*, *Evita*, and more. But the centerpiece of this production is a moving tribute to one of the greatest singers in the history of American song, Judy Garland. Listen as *Over The Rainbow*, *The Man That Got Away*, *Trolley Song*, *Get Happy*, *You Made Me Love You*, *Swanee*, *Rock A Bye Your Baby*, and others come alive, recapturing the Garland passion and pathos as only Petrina Johnson can do it.
