THE AMERICAN SPIRITUAL ENSEMBLE, Founder & Director, DR. EVERETT MCCORVEY

“We were at the American Spiritual Ensemble Tuesday night and sat in the third or fourth row. We were absolutely mesmerized. This was truly one of the most magnificent evenings of music that we have ever heard in our lives. It was a privilege....an absolute privilege! Thank you so much for bringing them to Tennessee, and I hope they come back. We would love to hear them again. Thank you, Thank you, thank you”. Andrea Pitco Chattanooga TN

Comment from Pam Dietrich

I have been overwhelmed with phone calls thanking us for having ASE perform here at our school. ASE is just incredible and so inspiring. This quality of music was tremendous and I felt so blessed to have been in attendance for this concert.

Thank you,
