The dictionary definition says it all! *Down-Home*: Reminiscent of a simple, wholesome, unpretentious lifestyle, especially that associated with the rural southern United States.

If sitting on the back porch sipping lemonade and chatting with old friends sounds like a rewarding experience, *Down Home!*, coming to \_\_\_\_\_ (Venue) \_\_\_\_\_ on \_\_\_\_\_ (Date) \_\_\_\_\_ at \_\_\_\_\_ (Time) \_\_\_\_\_, is the place to be!

Den and Bobbie West are bringing their intimate show to \_\_\_\_\_ (City) \_\_\_\_\_, fresh from a multi-year international tour. The Wests are authentic Americans, steeped in the love of folk, gospel, country, bluegrass, and patriotic music. When Den chooses from his incredible array of instruments, including guitar, mandolin, banjo, ukulele, and steel guitar, and pairs up with the clear-voiced Bobbie, audiences simply cannot refrain from going back to a simpler time, when right was right and good guys finished first. It's this "feel good," country-air sentiment that sweeps the audience away from any troubles they might have brought through the door, inviting them to escape to a place where life just seems right.

The *Down Home!* show features an array of songs both vocal and instrumental, both toe tapping and melancholy that keep the West's audiences in the palm of their hands. No two shows are alike, since this husband-and-wife team always tailors their performance to meet the wishes and desires of a local community. Backed by an all-star instrumental ensemble Den & Bobbie West take the stage with gusto and good cheer, and by show's end they are best friends with everyone in the room.

When you are as genuine as Den & Bobbie West the music reaches the heart. And after all, what could be sweeter when you are "down home" than to feel your heart warming. The Wests deliver a musical, American celebration that is the perfect refresher for every generation and every family.

*Down Home!* Two voices, seven performers, and one unforgettable experience!
