To whom it may concern:

We recently hosted Horizon's "Legends of Motown and More" as part of our Community Concert Series. I'm happy to say that the show was everything we'd hoped for...and more! The members of the group were a pleasure to work with, and it is clear that they enjoy what they do, on and off stage. I was a bit skeptical about their claims of having our audience dancing in the aisles...until it happened! The crowd was electrified. The group even took time after the concert to take requests, which they sang a capella, while signing autographs.

We were very pleased, and would recommend them to any school or other institution looking to add some soul to their programming.
