“As I sat in the park with about two hundred others, I heard a voice and a message delivered in such a way that I knew God’s hand was on this young lady’s life. Her testimony and great sense of humor touched me. There are a lot of talented musicians out there, but Joni truly exemplifies what ministry is all about. She made me laugh and cry and examine my own life.”

“Joni was part of our team of vocalists on our Christmas album project: Then Came The Morning. She was such a blessing as she shared her voice and her heart with all of us. As she sang the lyrics to *I’ve Just Seen Jesus*, I was reminded how He alone makes us new. I know that through her ministry, you’ll be reminded too. God bless you, Joni.”

“It’s been said that Joni was the best female vocalist TRUTH ever had. I think she’s pretty terrific. Not only has God blessed her with an incredible vocal ability, but He has blessed her with the ability to relay His message in a very powerful way, to everyday people, with everyday needs. Joni’s desire is to do one thing and one thing alone...to share Jesus with a lost world...I know...she rode my bus for 4 1/2 years.”
