Dear Andy:

On behalf of the Board of Directors and staff of the Stefanie H. Weill Center for the Performing Arts, I want to extend our sincere thanks for being an integral part of our annual fundraiser. It was very successful for us and it paved the way for similar future fundraisers.

Not only was our onstage audience treated to a fabulous dinner as you demonstrated each course, they were entertained by your wonderful arias during the event. With the addition of our Wine Bar, the dinner was complete....wine, song, and sumptuous food! We can't thank you enough for mingling with our guests and making everyone feel like they were a part of the family throughout the course of the evening. We hope, too, that you enjoyed your time in Sheboygan and, in particular, performing in our spectacular theater.

In the future, if you're working with a venue that is contemplating contracting with you for a similar event, please share our information and have them contact us if they have questions. We're more than happy to recommend you. Thanks so much for sharing your time and talents with us and we all feel like we've grown our families by one special person!

Sincerely,

A handwritten signature in cursive script that reads "Kris Krentz".
