Scott – Thank you for your help with the arrangements for the performance by Patrick Combs at Lehigh on April 5. Patrick’s performance was inspirational, entertaining, well written and expertly-paced. He is a very generous young man who spent time after the performance talking to patrons who waited in the lobby to see him. Our tech crew enjoyed working with him and had many complimentary things to say. The staff also greatly appreciated that he took time after the performance to join an informal gathering. Please send my thanks to Patrick for a great show! I was very pleased and proud to have / Man1, Bank 0/ on our Guest Artists Series at Zoellner Art Center.

Sincerely,
