Dear Ms. Bridges:

Having just completed compiling the survey information from the performance of "Oh, Henry" here on the campus of Lake-Sumter Community College, I felt I just had to send you a copy of the comments written by those in the audience who turned in their survey forms.

Our audience is primarily comprised of retired senior citizens, many of whom live here during the winter and in other locations the remainder of the year. I'm sure you will understand some of the comments coming from the seniors.

I have been at the college for twelve years, and I have not seen an audience appreciate a performance like they did "Oh, Henry." I'm still getting calls telling me how much they enjoyed the evening. Please pass these comments on to Mac Frampton, Cecil Welch and the other wonderful musicians. We hope to have them back soon.

Sincerely,

Rita Rosenquist
College Relations
