Scott,

Sorry I did not have a chance to write yesterday. Another day – another show!
Just wanted to say thanks for assisting us in connecting with Mithril. They were sensational!!!!
Mithril's passion for expressing their art form was contagious. The energy and the spirit of the music captivated each member of our audience. People left the hall bathed in the beauty and drive of this compelling music. You are to be commended on promoting this group. They have such friendly and cooperative personalities. Their excitement about being with our audience was felt by all. They wanted to be in our space and share their music- everyone here sensed that desire. I hope as they become more seasoned on the road they will not lose that offering. Congratulation- they are a keeper. We hope to have them back.

Thanks

d
