QUOTES & REVIEWS

“Brian does it all from pop to classical, razzle-dazzle to romantic. Brian is a trained pianist but also a super pop singer, mimic, imitator, jokester, dancer and creator of programs.”

Englewood Sun, Englewood Florida

“Your professionalism and quality of your performance was evident to everyone. You brilliantly entertained our diverse audience.”

Shell Point Program Coordinator, North Ft. Myers, FL

“Brian s playing is a combination of Roger Williams, Vladamir Horwitz and Liberace.”

Asheville Citizen Times, Asheville, NC

“Your music is a ministry, unlocking the freshness of the Spirit in peoples lives. One woman remarked after your show: I felt I was in the presence of God.”

Maggie Lauterer, Minister First Presbyterian Church, Burnsville, NC

“WOW! Both matinee and evening audiences were enthusiastic with their applause throughout the concert and rose for standing ovations at the end. Without a doubt, your exciting arrangement of your Rhapsody in Greshwin was the absolute high point of this show - rich icing on a scrumptious cake. I have heard this magnificent composition played by many fine pianists over the years, but never with more flair, more sensitvity, more emotion and such fire! Play it again, Brian!
