RE: EBZB Productions' WAR BONDS: THE SONGS AND LETTERS OF WORLD WAR II

Dear Alkahest,

The North Florida Community College Artist Series had the pleasure of presenting *War Bonds: The Songs and Letters of World War II* in January 2008. David and Serena of EbzB Productions are extremely talented and provided an outstanding performance that our audience truly connected with. We had a sold out performance and an overall great time with *War Bonds*.

David and Serena could not have been easier to work with. They responded to all inquiries about the performance quickly and were such a pleasure to meet and work with. Their load-in, set-up and load-out routine is so well organized and we found it very easy to accommodate this show. Everything went very smoothly. The Alkahest website is also very well organized and provided helpful links and information needed for planning and preparing for the show – specifics about the performance, artist biographies, pictures, concert program, song list, technical rider and more.

Once on stage, David and Serena really brought the stories, music and history of the World War II era to life. Their personalities and talent are amazing. The passion these two performers have for this show and the impact it can have on an audience is easy to see, heartfelt and really shines through in their performances. They put 100% into every aspect of the show and provide audiences with a truly entertaining, historic and emotional journey. Our audience loved this show.

At the end of the show, the performers asked all the WWII veterans to stand in recognition – a very touching moment. David and Serena also immediately made their way to the lobby to greet audience members following the show. I can't tell you how much this gesture is appreciated by our patrons and the Artist Series staff. So many audience members stopped to comment on the show, share a personal memory or just wish the performers well.

A wonderful show; a great cast (on and off stage); and a performance I highly recommend to other presenters. We had a great time and look forward to working with Alkahest in the future to bring in more great shows.

Sincerely,
