Encore: Rolling Home (Traditional)

*Note: We always include material from the Celtic and French Canadian Traditions, Bluegrass, Sea Shanties, and traditional American folk as well as original material. While most of the material is songs with lyrics, we always include a number of fiery instrumental tune medleys in each set. Our material and sets change from show to show, audience to audience, and season to season, by the holiday etc. For St. Patrick's Day concerts, for example, we infuse a majority of Irish-related material, and for Christmas, we have a large amount of specific material, and so forth. We also try to respond to the current times and circumstances. For example we've just re-added a great song called "The High Cost of Living," which generates a great deal of enthusiasm currently. We might as well laugh or we'd all be crying! Our bottom line is that we are very flexible, depending on the wishes of the presenters.*
